

JOHANNESBURG

GALLAGHER CONVENTION CENTRE
30 – 31 AUGUST 2020

COSMETICS. INGREDIENTS. PACKAGING. INNOVATION.

Discover your next business partner.

Professional Beauty is launching a brand new, co-located exhibition in 2020 alongside Professional Beauty Johannesburg called **Cosmetics, Ingredients & Packaging Innovation (CIPI)**.

The **CIPI Expo**, to be held on the 30th & 31st of August, is a focused trade show catering to the beauty, cosmetics and personal care ingredients industry, primarily manufacturers and suppliers of raw materials and personal care ingredients including packaging products, labelling companies and other related service providers.

CIPI will also be hosting seminars featuring top chemists and manufacturers in the industry and brand owners who have been on the journey of creating their own products and are happy to share their experiences.

ORGANISED BY:

JOHANNESBURG

GALLAGHER CONVENTION CENTRE

30 – 31 AUGUST 2020

- Principals, alliance partners, distributors of the ingredients
- Natural & ayurvedic ingredients used in Cosmetics
- Formulation
- Quality control certification and regulatory consultants, companies & organizations

JOHANNESBURG

GALLAGHER CONVENTION CENTRE

30 – 31 AUGUST 2020

Why Exhibit?

An exclusive opportunity to interact with business owners who plan to enter the cosmetic manufacturing market.

Meet and network with personal care and cosmetic manufacturers, contract manufacturers and private label companies from across the country and nearby regions.

Pre-scheduled buyer-seller meetings organised for exhibitors with their prospective clients.

South Africa's first of its kind focused trade show for personal care and cosmetic ingredients manufacturers and packaging companies to meet and share ideas with both large scale and SME cosmetics and personal care manufacturers. Network with industry associates and other top companies visiting the exhibition.

Focused marketing activities for all the exhibitors promoting their products to the right target group.
